A Meander Between Bank Newton and East Marton

This easy walk follows the Leeds & Liverpool Canal, Pennine Way and a bridle path. Good scenery with very gently slopes. Very dog friendly. The walk begins near Bank Newton. Meet at the Buck at 10.30 or Bank Newton at 11.15.

To find the start of the walk

Drive to Gargrave. Cross the river bridge onto Church Street. Turn left at the Masons Arms (just before the church) onto Marton Road. Follow the road passed houses, then under a viaduct and then over a canal bridge. Soon after the road straightens, there is parking on the left side of the road in front of a small gate onto the canal towpath, as shown on picture below.
