

Buckden Walkers Wednesday, 12th June, 2013

An Evening Stroll with Graham & Jan

Location: A linear walk from Hawswick to Arncliffe

Distance: Less than 2 miles and FLAT! This has to be Buckden Walkers easiest walk ever - so no excuses.

Meet: On the Green at Arncliffe 6.30pm Diners only 7.30pm

Please leave some space in cars so we can share and take minimum number to Hawswick and leave at least one car at Arncliffe otherwise it will be a circular walk!

Venue: The Falcon, Arncliffe

If you haven't been there in the past year or so, there are now new landlords Peter & Julie. Apart from now being a dog friendly pub, (diners will be asked to dine in the rear bar) nothing has changed - still the same decorations, peeling paint and beer served from a jug. Although they don't normally do evening meals Julie has put on a special menu which judging from our recent experience at their monthly 'Curry Night' should be a treat
