[Friday Night's Party Night!!](#) On Friday 29 June we are presenting a unique and exciting performance by the [British Electric Foundation](#), the brain child of **Martyn Ware** (The Human League and Heaven 17). It features a stellar line-up of the full **Heaven 17** band and special guests including: **Peter Hooton (The Farm)**, **Glen Matlock (The Sex Pistols)**, **Jaki Graham**, **Mari Wilson** and **Glenn Gregory** from Heaven 17.

And of course no party night would be complete without our resident DJ!

On Saturday 30 June we are introducing our [Festival in the Field Day](#) from 12 noon until 11pm. This will be a whole day of fun for all the family featuring a fabulous mix of music with bands from all over the country, food and drink, magic and excellent entertainment. All topped off by a showstopping performance by [The Fratellis](#) who will be bringing their thrilling mix of razor-sharp guitar riffs, air-punching piano stabs, falsetto vocals and melodies you could hang your coat on to the Marquee.
