Dear Sir,

I know that I speak for many people in our community and for my fellow Councillors in saying that Garry Schofield's decision to resign from the Parish Council represents a great loss.

Garry has been a member of the PC for over twenty years and was already in place as its Chairman when I first joined in 2008. Under his stewardship the community has changed, developed and grown in many ways and Garry has played a full part in shaping it, an achievement of which I believe he should be immensely proud.

I have found it very easy to be a PC member under his chairmanship principally because I have been able to trust his judgement without reserve. His knowledge of so many aspects of the community and of Dales life and his ability to navigate a calm path through sometimes difficult circumstances will not easily be replaced.

Garry has served Buckden long and well and it only remains for me to express my sincere thanks to him on behalf of the community and to wish him well in the future.

Yours faithfully

Peter Breen
