

## Howden Jones

**Friday 2<sup>nd</sup> October** – folk band Howden Jones will be performing again at Buckden Village Institute at 7.30pm. In the past 5 years they have created their 'beautiful music in beautiful places' Tour, and have been sharing their music and stories, often meeting friendly and fascinating people and visiting some wonderful, unusual venues in sometimes remote and always beautiful areas along the way.

This year's tour is 'No halls barred!' They write about life and their observations of it, often poignant, sometimes humorous, and gathering new material as they travel, captivate an audience in a unique intimate atmosphere. As contemporary musicians they enjoy exploring the acoustic sound of each unique venue and use no effects. Their show has been described as, 'relaxed and enchanting' and 'an absolute delight', 'their joy, talent and good humour were infectious', 'music for all ages'.

With a variety of instruments including, guitar, fiddle, mandolin, bodhran and banjo, superb harmonies and great musicianship, Howden Jones will promise to give you a foot tapping and thought provoking evening with plenty of smiles!
