Handwriting Set Pieces – taken from

'The Selfish Giant' by Oscar Wilde

5 – 7 years

The poor children now had nowhere to play.

8 – 11 years

Then the Spring came, and all over the country there were little blossoms and little birds. Only in the garden of the Selfish Giant it was still winter.

12 – 14 years

"I believe the Spring has come at last," said the Giant; and he jumped out of bed and looked out. What did he see?

He saw a most wonderful sight. Through a little hole in the wall the children had crept in, and they were sitting in the branches of the trees. In every tree that he could see there was a child. And the trees were so glad to have the children back again that they had covered themselves with blossom.
