

Kettlewell Primary School News

We would like to welcome everyone back to the Summer Term with special mentions going to our new pre-school children, Jack Lusted, James Scott, Katie Robinson and Sapphire Hutchings. We hope you enjoy your school life with us.

Congratulations to Rebecca Scott and Sophie Falshaw who have been presented with the Spring Term Governors Awards for their hard work, commitment and fantastic attitudes to learning. Challenging themselves and making superb progress. The Spring Term Ann Peters Award went to George Simpson for being exceptionally helpful, responsible and caring in all aspects of Key Stage 2. WELL DONE all of you.

At the end of April the pupils enjoyed a very exciting values and beliefs day. A fun series of child friendly and interactive workshops, exploring fundamental human values and beliefs, along with visits from key figures in the wider community shar-ing their individual core values.

During the Spring Term the pupils have been raising money for Fell Rescue and Search and Rescue Dogs Association (SARDA) by baking and selling buns and having non-uniform days. We have raised an amazing £55.00 which will be split between these two very worthwhile charities. This term the pupils have had a democratic vote and will be raising money for the RSPCA and Pendleside Hospice.

May is a very busy month, Key Stage 2 are preparing for their exams but once they are over they can relax and look forward to various activities with the other Cluster Schools including a Tag Rugby Tournament and Carlton Lodge for the Year 6's.

Unfortunately the Geo-journey to Malham Tarn the Year 3's & 4's were to take part in at the beginning of March was postponed, due to an unexpected snow fall making it unsafe. This has now been rearranged for the 5th May. They are really looking forward to going and are keeping their fingers crossed that nothing can stop them this time.

On a Monday and Wednesday afternoon we have a whole school assembly and would like to invite any members of the community to come and participate and perhaps give a 10 – 15 minute presentation on a topic that they feel would be enjoyable and beneficial to the pupils. If anybody is interested and would like to discuss this further, please do not hesitate to contact Tracy Briggs at school.

The first 100 club draw was done at the Easter egg hunt and egg rolling, the winners are as follows:

1st Prize (£25) – Sara Barraclough; 2nd Prize (£10) – Maureen Heseltine;
3rd Prize (£10) – Megan Lightfoot; 4th Prize (£5) – Bev Bruce.
