

**Open Invitation Wednesday 13<sup>th</sup> June 7.00pm Kettlewell Village Hall**

The Governing Bodies of Kettlewell and Grassington Primary Schools are working together to find ways to maintain and improve the education offered to our young people in the Upper Wharfedale area. We believe that by working in this way, we can enhance the educational opportunities of all pupils, whilst maintaining the separate identities and sites of both schools. Working together will enable the Governors to continue to provide the high quality education to which children in our community are entitled, as well as ensuring greater value for money and meeting the new higher standards of education now expected by OFSTED and the Local Authority.

The Governors have put together a preliminary list of objectives which we would like to share with parents, Parish Councils, Parish Meetings, local community groups and the community at large. To this end, we would like to invite you to an open meeting on Wednesday, 13<sup>th</sup> June 2012 at 7.00pm in Kettlewell village hall, where we will give a short presentation on progress so far. The Chair of Governors from each school will be present and you will have the opportunity to put any questions which you may have about the plans to them, or to Lesley Taylor, Headteacher of both schools.

These are our community schools and we do hope you can join us to hear about the exciting developments we hope to put in place to continue to provide a first class education for our young people.

**On behalf of the Governors of Grassington and Kettlewell Primary Schools**
