

Monday Walk

1st August 2016

Kettlewell to Buckden via Starbotton

During our last walk, Kettlewell to Buckden via Moor End, we decided that for the next one we'd like to walk up the other side of the valley – partly to see if we could spot what seems to be a large fairy ring that we'd seen from the opposite hillside.

The arrangements are very similar to last month, meet to catch the Venturer at 11.15 – but this time we'll meet at the bus stop in Buckden car park (it's more convenient for the bus driver). Walkers joining us in Kettlewell can meet us at the Blue Bell where we'll get off the bus.

I suggest coffee just before Starbotton and lunch at the seat in the picture. Drinks afterwards at the Buck Inn and walkers needing to return to Kettlewell will be able to get the bus in Buckden
