

Outcome of meeting 11/9/2015 re Refugee Crisis

1. Amended letter to be circulated for checking and then sent to NYCC (Stella and then Anne)
2. Consolidated lists to be produced of signatories, helpers (ongoing – Anne/Peter)
3. Meeting to be arranged with refugee support workers in Bradford (Phil)
4. Project Team to be formed (Anne) to look at;
 - fundraising for refugees in refugee camps either in or adjacent to their own countries
 - collection of food/blankets/clothes to send to refugees in need in UK and elsewhere if these are required
 - working with NYCC/Craven to accommodate refugees on short/longterm basis
 - working with support groups to help with language, education, practical issues
 - further lobbying locally and nationally

Finding a mutually convenient date will be impossible so we'll just have to pick one and go with it. **I suggest Friday October 9th at 6.00pm. Could Scargill accommodate? If people could do some thinking and research beforehand and come armed with practical ideas, it would be useful. I would also envisage having individuals take responsibility for specific aspects eg fundraising, liaising with other organisations.**
