

VILLAGE WALK Sunday 16th September

Brimham Rocks - Nidderdale

Easy walking taking in spectacular rock formations, lovely views of the Nidderdale countryside and pretty hamlets. About 6 miles circular walk – taking about 4 hours from the start of the walk to finish allowing for a stroll around the rocks at the beginning – also a later opportunity at the end.

Meet Buck Inn to depart at **10.00 am latest** with around a 50 minute drive to start walk from Brimham Rocks NT car park.

We start the walk with an early visit to the rocks followed by 6 miles on reasonably good footpaths across fern, heather and fields – some sheep and cattle but otherwise dogs can probably be off the lead for much of the walk.

No pubs or refreshment opportunities en route apart from the coffee bar at NT centre at the beginning and end, so suggest bringing picnic and coffee.

(£5 parking per car if not an NT member so hoping for a good turn out of NT member car owners!!)
