## National Park

- What do you love most about the National Park?
- What annoys you about the National Park?
- What do you wish for the National Park in the future?

For six weeks from the 19<sup>th</sup> March organisations working in the National Park are keen to hear your answers to these questions as part of the review of the **National Park Management Plan**.

The Management Plan is **the** overarching document for the National Park and sets out how it should be looked after in the future. There are lots of ways to give feedback – even if you only have a couple of minutes. Please look at our website to find out more [www.yorkshiredales.org.uk/your](http://www.yorkshiredales.org.uk/your)

### Questions, questions, questions

We have a range of ways for members of the public and organisations to provide us with their thoughts on the important issues for the future of the National Park:

- Online questionnaires for individuals and organisations hosted at [www.yorkshiredales.org.uk/your](http://www.yorkshiredales.org.uk/your) and [www.facebook.com/yorkshiredales](https://www.facebook.com/yorkshiredales)
- Paper-based questionnaires for children
- A special postcard that can be picked up from National Park Centres, Authority offices, Dales Countryside Museum and local libraries (an e-postcard option is available too)
- Photography submitted via the 'Your Yorkshire Dales National Park: a snapshot' competition ([photo competition](#))
