

“Making Sense of Non – Sense”

*A Christian perspective on the conflict in
the Holy Land.*

with Bridget Rees

Friday 6th February 7.30pm

**at St Margaret Clitherow Church,
Threshold**

This evening, run by Churches Together, is led by Bridget Rees, who has worked for Christian Aid and works tirelessly in the Bradford Diocese to encourage international links.

She was raised in Palestine and has many friends and contacts there. She will be able to give us an insight into the situation from the perspective of Muslims, Jews and Christians alike.

There will be the opportunity for prayer and reflection for those who wish after Bridget's presentation.
